PERSIA & GREECE NAMED

- Burgundians *(Swiss)*
- Suevi *(Portuguese)*
- Visigoths *(Spanish)*

Eyes Like a Man

Symbolizes human wisdom, intelligence, and oversight (See of the Pope) rather than divine guidance.

The Day-Year Principle

"I have appointed thee each day for a year." (Ezekiel 4:6, Numbers 14:34). In Bible prophecy, one prophetic day equals one literal solar year.

Daniel 7:25; Revelation 12:6, 14; 13:5

Pagan Syncretism Revealed

WHY THE BEAST COMBINES LEOPARD, BEAR, AND LION

Prophetic Insight (Rev 13:2): The sea beast isn't just a political successor; it's a **religious amalgam**. Papal Rome didn't destroy paganism—it **absorbed and Christianized** the doctrines of all three previous empires.

FROM BABYLON

Sun Worship → Sunday

"Day of the Sun" adopted as the Christian Sabbath; Sol Invictus became the "Lord's Day".

Pontifex Maximus

Babylonian high priest title adopted directly by the Pope.

Queen of Heaven

Pagan mother-goddess worship transformed into Mary veneration.

FROM MEDO-PERSIA

Church-State Fusion

Religious leaders ruling with civil power; the altar controls the throne.

Infallible Decrees

Laws of the Medes & Persians "change not" → Papal Infallibility doctrine.

Rigid Hierarchy

Centralized bureaucracy administering vast territories through decrees.

FROM GREECE

Immortal Soul

Platonic philosophy (dualism) replaced biblical wholism; basis for purgatory/saints.

Eternal Torment

Greek mythology (Hades/Tartarus) incorporated into Christian theology.

Philosophy > Scripture

Reason and tradition placed above "Sola Scriptura".

Result: A system appearing Christian but built on pagan foundations

Revelation 13:2; 17:5
